## LIVING & LEARNING

At STEP Gästehäuser we offer our students a cosy home, located right on the HTL campus.

The state-of-the-art boarding home includes

- ♦ inviting single or double rooms with a full bathroom
- ♦ well-balanced meal plan
- ♦ a dedicated team of educators providing professional supervision
- ♦ free Wi-Fi
- ♦ educational support for students through open-access tutoring
- ♦ GSL – German for second language learners to support our non-native students

For additional information please contact  
Mag. Andrea Liebmann.

FORMING THE FUTURE

## Future-oriented Education

HTL Pinkafeld is “the” engineering school in the south-eastern part of Austria. It is the largest school in Burgenland, home to around 1,350 students and 160 teachers.

Since 1967, more than 8,000 alumni have comprised the outstanding reputation of our institution nationally and abroad. Students from different countries are prepared in the best possible way to tackle the challenges of a globalized work environment.

### We offer our students

- ◆ a state-of-the-art study environment
- ◆ well-founded general education
- ◆ a practically oriented education in our workshops, IT rooms and laboratories
- ◆ English as an optional working language
- ◆ free support for students through “open-access tutoring”
- ◆ boarding school upon request
